

How to Join a Webinar via Cisco WebEX

1

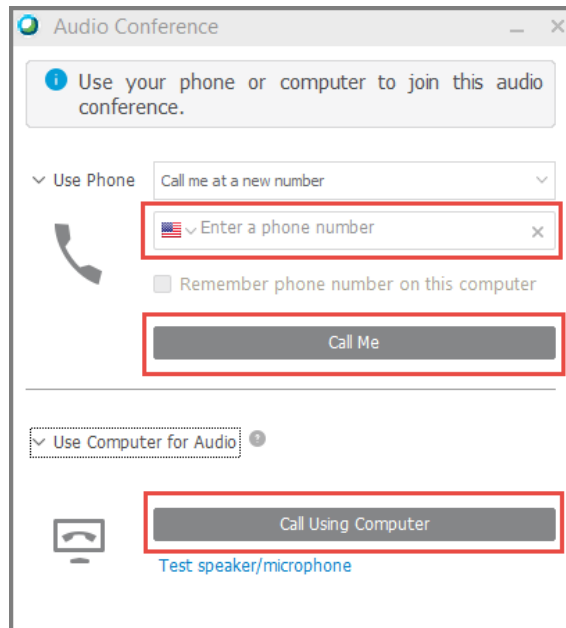

Click the link that appears in your invitation or email reminder.

2

On the Event Information page, click **Join Now**, then enter your name and email address.

3

Use your phone OR computer to join the audio conference. To use your phone, enter your phone number, and click **Call Me**. Simply answer the call from WebEX and you will be connected directly. To use your computer, click **Call Using Computer**.

Troubleshooting Tips for Joining a Webinar

- Clear your browser cache or cookies.
- Try a different browser.
- Copy and paste the event URL into your browser.
